Important Information about Busing:

Registering your child for busing is necessary, but not every year. Please only re-register if the student's information has changed. This may include a change of school, address or contact information.

Registering online is quick and easy. However, it may take several days to arrange their busing. The direct link to register is <https://www3.srsd119.ca/busgarage/transport/request.php> or you can simply type "Sask rivers school bus" in a search engine (we recommend Google) and we will surely pop up. Once you click on our link, look for this box towards the bottom of the page, and choose "Transportation Requests". You may find our links for the daily bus report and city bus maps handy as well.

If you are unsure whether or not you have previously registered, or if you have any questions, please contact the Transportation Department at 306-763-2323.

INCLEMENT WEATHER

For the most part, we want our students to enjoy playing outdoors before school, during both recesses, and the noon hour. On rainy days, we allow students to come into the school upon their arrival and remain indoors during all breaks. In the winter, we use -30 degrees Celsius as our cut-off to remain indoors. If the temperature, and/or wind chill in combination with the temperature exceed -30, then all students are permitted in the school in the morning and during break times. We do expect that all students be dressed appropriately for the weather, as there are many cold days when students are expected to be outdoors.

Because our fountains have been converted to bottle filling stations, **please ensure you send a water bottle to school with your child.**

Like utensils, we do not supply cups.

Lunch Hour

Please provide necessary utensils in your childrens' lunches. We do not distribute utensils. Also, the school has no microwaves to heat up lunches.

DRESS FOR THE SEASON:

Students must dress appropriately for the weather. They must be dressed adequately for a 1 kilometer walk in case of an emergency. Saskatchewan Rivers Board Policies, Administrative Procedures and Transportation Manual can be reviewed on our website, www.srsd119.ca.

Allergen Aware: Reduce the Risk

There are children in our school with severe life-threatening food allergies (anaphylaxis) to nuts and peanuts. This medical condition can result in death within minutes. Although this may or may not affect your child's class directly, we ask that any foods you send to school with your child be free from nut or peanut products. More information about anaphylaxis is available at the school. Please contact us. Thank you for your understanding and cooperation.
